

Dear International Student

If you are studying at the Faculty in the second term, you may be interested in participating in our new scheme entitled **Connect FTI**.

This basically involves giving friendly advice and support to our students who have been selected to study at your university next year.

Under the scheme, these students will be able to solicit your contact details from the International Relations Office. They will then get in touch with you to arrange a first meeting – and the rest is up to you.

We are sure that our students will really benefit from the opportunity of meeting someone from the university where they will study next year. There are so many aspects you can tell them about – the classes, facilities, accommodation, cost of living, the local town etc.

But the experience could be valuable for you too. Above all, it's an opportunity to practise your Spanish this term and – perhaps more important – when you meet the students again next year. More generally, it will ensure that your contact with the Faculty and Granada continues after your time with us has ended.

If you'd like to take part in **Connect FTI**, please sign the attached form and hand it in to the FTI International Relations Office no later than March 13th.

With many thanks for your interest and cooperation!

THE FTI INTERNATIONAL RELATIONS TEAM

YES!! I'd like to take part in Connect FTI!!

I hereby authorize the FTI International Relations Office to give my contact details to students selected to study next year at my university.
